### Resident of the Month- Diana S

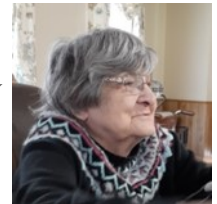

Diana is a special lady who enjoys the simple things of life. She is beginning to blossom and try some new things now, but she is good about letting us know if she is uncomfortable with trying it, too.

Her newer talents include Memories in the Making Art Work, and singing with our entertainers! She also enjoys our mechanical cats at Kettle Moraine Gardens, one of which is her favorite, Sonny. She also plays Bingo and cards with some assistance by staff.

Diana's sensitivity to loud noises is something she is helping us with by letting us know how to help her adjust to a situation. (This might be due to having seven siblings growing up!)

Although exercising is not her favorite thing to do, but she will join in at times. You can find her out with the group when we are watching the local sports teams play and are being televised on TV.

You can tell she is a fan of lots of staff, because they come next door to say "hi" and see how she is doing throughout the week. Glad to have you as Resident of the Month Diana!

Quote of the Month-Be strong now, because things will get better. It might be stormy now, but it can't rain forever. Unknown

### Walk to End Alzheimer's

This year's Walk to End Alzheimer's began at Kettle Moraine Gardens. We walked along the Eisenbahn Trail and then came back to KMG. With the Covid-19 still hanging on, we all wore masks, maintained a social distance comfortable for walking and ended back at Kettle Moraine Gardens. We raised \$1262.27 for the Alzheimer's Association.

Thank you for your donations and support.
