A Prayer for the New Year

Lord, Whether I leave behind a year of joy or of trials and difficulties,

I pause to give thanks. Thank you for being with me every day of every year.

Thank you for making all things new and for giving me the grace of fresh starts and new beginnings.

Remind me of your presence in the days to come, even when I feel pushed and rushed by busyness.

Be glorified in my life this year. Amen

Kettle Moraine Gardens Resident of the Month - Joan G

Joan and her husband Bob had three children and she is extremely proud of all of them.

Joan told how she loved to travel and that she and her husband visited every Air Force Base that her daughter was stationed, with the exception of Okinawa. (She said the only place she hasn't been is South America, because there isn't a U.S Air Base there.) One of her favorite places to travel was Ireland, the land of her heritage. She has so many fun stories from there, just ask her. (She has a touch of the Blarney)

Joan is a very social person who enjoys getting to know people. Joan has a competitive spirit when playing trivia or games of wit. Even though, she feels people think that she is a nice person.

Joan's caring heart will follow up and ask how someone is once she has learned there is an illness or chronic condition. She really means it, too.

Joan worked on the Election Commission in a role to make sure people who tried to vote were really US citizens. A passion she has is watching movies. Old or new, thriller or musical, she remembers names of all the stars that are in her favorite movies and the plots as well.

Joan was known for cooking, her favorite foods which were Prime Rib and Crown roast of pork. We will be over!!

Congratulations Joan on being selected as Resident of the Month!

Success is every minute you live. It's the process of living. It's stopping for the moments of beauty, of pleasure; the moments of peace. Success is not a destination that you reach. Success is the quality of the journey.
